

Techgrow Clima 5A (Min-Max) excl. Sensor

With the budget-friendly Clima Eco Min/Max Fan Speed you reach or maintain the desired temperature level (between 15 °C and 35 °C) in your room in a very efficient way. The Clima Eco Min/Max Fan Speed is easy to operate with three rotary knobs to set the minimum fan speed (10% – 100%), maximum fan speed (45% – 100%), and the desired room temperature.

A 24/7 guarantee for the best ventilation conditions at a friendly price.
