

Led Light fixture 720W Eco Line

Input voltage 220V - 240V

Input power 720Watt

PPF 1944 $\mu\text{mol/s}$

Efficacy 2.7 $\mu\text{mol/J}$

Thermal management Passive

Operation Temperature -25 -40C

Chips Optimum brand

Light source LED

Dimmable knob setting: OFF/250W/400W/600W/BOOST

Advanced dimmable features with use of Lumenking Dimmer

Optimum brand: Automatic frequency adjustment

Full circuit protection

RF Shielding
